b) On Maturity	Payable at the end of policy term	Sum assured

## PAID-UP VALUE

If premium is not paid even after the grace period after first two policy years' full premium payment then the policy may continue as a 'Paid-up' policy for a reduced Sum Assured (Paid -up Sum Assured).

Paid-up Sum Assured will be calculated as given below:

Paid-up Sum Assured = Sum Assured \* (Number of premiums paid/ Number of premiums payable)

Under reduced paid-up, Paid-up Sum Assured will be payable either on death or maturity whichever is earlier.

## SURRENDER BENEFITS

The Policy can be surrendered provided that at least premium for two policy years has been received in full by the Company. On Surrender the surrender value, if any, will be immediately paid and policy will be terminated.

**The surrender value payable is higher of the Guaranteed Surrender Value (GSV) and Special Surrender Value (SSV).**

**(a) Guaranteed Surrender Value (GSV):** The Guaranteed Surrender Value is equal to 30% of premiums paid till date excluding the first year premium. Any amount paid towards underwriting extras, riders and/or service tax is not payable on surrender of the policy.

**(b) Special Surrender Value (SSV):** The policy will accrue special surrender value if at least 2 years full premiums have been received.

The Special Surrender Value is equal to Paid-up Sum Assured multiplied by Surrender Value Factor.

Paid-up Sum Assured = Sum Assured \* (Number of premiums paid/ Number of premiums payable)

The current Surrender Value Factor is given in the table below which varies with the policy term and policy year of surrender. The Surrender Value Factor will be reviewed from time to time based on the experience and will be subject to prior approval of IRDA.

**Grace period for non-forfeiture provisions:**

Grace period of 30 days is available for all the modes of premium payment.

The policy will remain in force during the grace period. If any premium remains unpaid at the end of the grace period, the policy shall lapse. The policy benefit thereafter would have no further value except as provided under surrender value or paid-up value.

**Nomination requirements and Assignment**

**Nomination:** You can make a nomination at any time before the maturity or termination date of the policy. The nominee/s shall be a person/s nominated by the member in accordance with the provisions of section (39) of the Insurance Act 1938 to receive the benefits under the scheme in the event of his/her death. Any change of nomination, which may be effected before maturity or termination date of the policy, shall be communicated to the Company.

**Assignment:** Assignment is allowed on specific request made by the policyholder. Assignee/s shall be a person/s to whom the policy is assigned by the policyholder in accordance with the provision of section (38) of the Insurance Act 1938 to transfer all the equities and liabilities to which policyholder was subject at the date of assignment.

**Revival:** If premiums are not paid within the period of grace the policy lapses. The policy may be revived within two years from the date of the first unpaid premium. The revival will be considered on receipt of written application from the policyholder along with the proof of continued insurability of Life Assured and on payment of all overdue premiums with simple interest of 1% per month. The proof of continued insurability and medical examination if required (medical examination cost to be borne by the policyholder) and the results thereof would be interpreted and if the life is acceptable from the underwriting point of view then it will be allowed to revive. Any revival of riders will be considered along with the revival of the basic policy, and not in isolation.

The policyholder may choose to discontinue the rider premium even though he is paying the premium pertaining to the underlying base product to which the rider is attached. In such a case of rider premium discontinuance the rider is not allowed to be revived in future. However in case the entire policy premium (the base product and the rider) has been discontinued and the policyholder wants to revive the same then he would be allowed to revive within two years from the date of the first unpaid premium.

Provided that nothing in this Section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the Life insured was incorrectly stated in the proposal.
