| Policy Term | 1 years (renewable every year) |
| Minimum Premium | Depends on the sum assured chosen, age and gender of life assured |
| Maximum Premium | Maximum premium along with other health related or critical illness rider will be restricted to 100% of the base product premium |
| Minimum Sum Assured | Per member Rs. 1,000 |
| Maximum Sum Assured | Per member Rs. 50,00,000 or subject to reinsurance capacity, whichever is lower |
| Frequency of payment | Annual, Semi-annual, Quarterly and monthly mode (need to be same as per the base plan) |

❖ Benefit payable

✓ On Critical Illness*

In the event the life assured is diagnosed to be suffering from any one of the below 6 critical illnesses, we will pay 100% of the rider sum assured in lump sum, on survival of 30 days following the date of confirmed diagnosis.

The benefit is payable only once during the term of the policy. The cover under this rider will cease after a claim under this rider is paid. However, the remainder of the base policy continues till the end of the term. The policyholder will have to continue paying his premiums for the remainder of the policy.

Conditions:

- Claim for critical illness will only be accepted if the illness has occurred after 90 days from the date of risk commencement. However this condition will not be applicable on annual renewal of the rider.
- The benefit under this rider is payable only when the life coverage on the base plan is in force.

*This rider provides protection against 6 critical illnesses, namely:

1. Cancer of Specified Severity
2. Open Chest CABG
3. First Heart Attack - of Specified Severity
4. Kidney Failure Requiring Regular Dialysis
5. Major Organ / Bone Marrow Transplant
6. Stroke Resulting in Permanent Symptoms

❖ **Non-forfeiture benefits**

✓ **Surrender benefits**

No surrender value will be paid.

If premium is contributed by the insured members, on surrender of such policy, the individual insured member of the group is entitled to continue the coverages individually for the remaining term for which premium has been paid.

✓ **Paid-up value:**

Not Available

✓ **Death Benefits**

No death benefit is paid

❖ **Spouse Cover Benefit**

You have option to cover the member's spouse.

In case of death of the member, the spouse cover will continue till the end of the term for which the premium has been paid. The spouse cover will discontinue if the member exits the group for any other reason.

❖ **Taxes**

The Policyholder shall be liable to pay all applicable taxes as levied by the Government from time to time.

❖ **Premium adjustment for members leaving/joining the group.**

Pro-rata premium for the remaining term based on rate charged to the group at the time of quotation will be refundable to you, for members exiting during the policy year provided no benefit has been paid for the insured member under the policy.

Similarly pro-rata premium for the remaining term based on rate charged to the group at the time of quotation will be charged for new members joining the group.

❖ **Terms and Conditions**

✓ **Free – look Period**

After you receive your policy, please go through it carefully to check the coverage amount, policy specifications and the obligations by Edelweiss Tokio Life Insurance are what you expected them to be. If you are not satisfied with the terms and conditions of the policy, then you can return the policy within 15 days of receiving your policy, stating the reason for your objection. Premium paid will be refunded after deducting proportionate risk premium for the period on cover, stamp duty charges and cost of medical expenses.

✓ **Waiting Period**

Claim for critical illness will only be accepted if the illness has occurred 90 days from the date of issuance or revival of the rider

✓ **Survival Period**

Claim for critical illness will only be accepted on survival of 30 days following the date of confirmed diagnosis

✓ **Doctor/ Certified Physician**

- HIV/AIDS.
- Nuclear fusion, nuclear fission, nuclear waste or any radioactive or ionising radiation.
- Deliberate participation of the Life assured in an illegal or criminal act.

✓ **Suicide Claim provisions**
Not applicable to this rider

✓ **Grace period for non-forfeiture provisions**
Grace period is same as the base plan.
In case the rider premium is not paid (even if the base policy premium is paid), the rider will lapse.

✓ **Revival or Reinstatement**
As per the base plan

❖ **Appendix I : Critical Illness Definitions**

i) Cancer of Specified Severity

A malignant tumour characterised by the uncontrolled growth & spread of malignant cells with invasion & destruction of normal tissues. This diagnosis must be supported by histological evidence of malignancy & confirmed by a pathologist. The term cancer includes leukemia, lymphoma and sarcoma.

The following cancers are excluded -

- i. Tumours showing the malignant changes of carcinoma in situ & tumours which are histologically described as premalignant or non invasive, including but not limited to:
Carcinoma in situ of breasts, Cervical dysplasia CIN-1, CIN -2 & CIN-3.
- ii. Any skin cancer other than invasive malignant melanoma
- iii. All tumours of the prostate unless histologically classified as having a Gleason score greater than 6 or having progressed to at least clinical TNM classification T2N0M0.....
- iv. Papillary micro - carcinoma of the thyroid less than 1 cm in diameter
- v. Chronic lymphocytic leukaemia less than RAI stage 3
- vi. Microcarcinoma of the bladder
- vii. All tumours in the presence of HIV infection.

ii) Open Chest CABG

The actual undergoing of open chest surgery for the correction of one or more coronary arteries, which is/are narrowed or blocked, by coronary artery bypass graft (CABG). The diagnosis must be supported by a coronary angiography and the realization of surgery has to be confirmed by a specialist medical practitioner.

The following are excluded:

- i. Angioplasty and/or any other intra-arterial procedures
- ii. any key-hole or laser surgery.

iii) First Heart Attack - of Specified Severity

The first occurrence of myocardial infarction which means the death of a portion of the heart muscle as a result of inadequate blood supply to the relevant area. The diagnosis for this will be evidenced by all of the following criteria:

- i. a history of typical clinical symptoms consistent with the diagnosis of Acute Myocardial Infarction (for e.g. typical chest pain)
- ii. new characteristic electrocardiogram changes
- iii. elevation of infarction specific enzymes, Troponins or other specific biochemical markers.

The following are excluded:

- i. Non-ST-segment elevation myocardial infarction (NSTEMI) with elevation of Troponin I or T
- ii. Other acute Coronary Syndromes
- iii. Any type of angina pectoris.

iv) Kidney Failure Requiring Regular Dialysis

End stage renal disease presenting as chronic irreversible failure of both kidneys to function, as

a result of which either regular renal dialysis (hemodialysis or peritoneal dialysis) is instituted or renal transplantation is carried out. Diagnosis has to be confirmed by a specialist medical practitioner.

v) Stroke Resulting in Permanent Symptoms

Any cerebrovascular incident producing permanent neurological sequelae. This includes infarction of brain tissue, thrombosis in an intracranial vessel, haemorrhage and embolisation from an extracranial source. Diagnosis has to be confirmed by a specialist medical practitioner and evidenced by typical clinical symptoms as well as typical findings in CT Scan or MRI of the brain. Evidence of permanent neurological deficit lasting for at least 3 months has to be produced.

The following are excluded:

- i. Transient ischemic attacks (TIA)
 - ii. Traumatic injury of the brain
- iii. Vascular disease affecting only the eye or optic nerve or vestibular functions.

vi) Major Organ / Bone Marrow Transplant

The actual undergoing of a transplant of:

- i. One of the following human organs: heart, lung, liver, kidney, pancreas, that resulted from irreversible end-stage failure of the relevant organ, or
- ii. Human bone marrow using haematopoietic stem cells. The undergoing of a transplant has to be confirmed by a specialist medical practitioner.

The following are excluded:

- i. Other stem-cell transplants
- ii. Where only islets of langerhans are transplanted

Any consultation or advice from a Medical Practitioner including the issue of any prescription or repeat prescription.

Medically Necessary

Medically necessary treatment is defined as any treatment, tests, medication, or stay in hospital or parta stay in hospital which

- is required for the medical management of the illness or injury suffered by the insured;
- must not exceed the level of care necessary to provide safe, adequate and appropriate medical care in scope, duration, or intensity;
- must have been prescribed by a medical practitioner,
- must conform to the professional standards widely accepted in international medical practice or by the medical community in India.

Pre-Existing Disease

Any condition, ailment or injury or related condition(s) for which you had signs or symptoms, and / or were diagnosed, and / or received medical advice / treatment within 48 months to prior to the first policy issued by the insurer.

Surgery

Surgery or Surgical Procedure means manual and / or operative procedure (s) required for treatment of an illness or injury, correction of deformities and defects, diagnosis and cure of diseases, relief of suffering or prolongation of life, performed in a hospital or day care centre by a medical practitioner.

Medical Practitioner

A Medical practitioner is a person who holds a valid registration from the medical council of any state or Medical Council of India or Council for Indian Medicine or for Homeopathy set up by the Government of India or a State Government and is thereby entitled to practice medicine within its jurisdiction; and is acting within the scope and jurisdiction of his license.

Qualified Nurse

Qualified nurse is a person who holds a valid registration from the Nursing Council of India or the Nursing Council of any state in India.

Prohibition of Rebate: (SECTION 41 OF INSURANCE ACT 1938) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy nor shall any person taking out or renewing or continuing a policy accept any rebate except one such rebate as may be allowed in accordance with the published prospectus or tables of the Insurer. Any person making default in complying with the provisions of this section shall be punishable with a fine which may extend to five hundred rupees.

Non Disclosure Clause: (SECTION 45 OF INSURANCE ACT 1938) No policy of life insurance shall after the expiry of two years from the date on which it was effected, be called in question by an insurer on the ground that statement made in the proposal for insurance or in any report of a medical officer, or referee, or friend of the insured, or in any other document leading to the issue of the policy, was inaccurate or false, unless the insurer shows that such statement was on a material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the policyholder and that the policyholder knew at the time of making it that the statement was false or that it suppressed facts which it was material to disclose. Provided that nothing in this Section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the Life assured was incorrectly stated in the proposal.
